Sub: Request to provide a bus in the evening for our employees working in Green Heights from Green Heights to MTNL Office Building to reach Kurla Railway station

Respected Sir,

We are in a receipt of a list of employees working in Green Heights requesting to provide bus to commute from Green Heights to MTNL Office Building in the evening after office hours to reach Kurla railway station. Please find attached the copy of the list for your perusal.

As your authority is aware that in the evening to get rickshaw or BEST Bus to travel up to Kurla railway station is practically impossible, our employees have to wait for more than 30 Minutes to get the rickshaw or BEST Bus. All the employees reaching Kurla railway station are travelling more than 2.5 Kms every day as there is no option available for them. After MTNL office building up to Kurla railway station the road is overcrowded by travelling public and traffic also. Providing bus to them up to MTNL office building will save at least 30 minutes every day, the frustration and not less important the money they had to shell out.

The shift bus plying from Uran LPG Plant reaches at Bandra railway station at around 4:30 PM and starts at 08:00 PM from Bandra railway station to carry our employees working in Uran LPG Plant for the night shift. The same bus is parked behind our Green Heights which can be utilised in the evening after 05:30 PM i.e. after office hours for our employee's to provide service up to MTNL office, in case number of employees are more than on bus capacity it can very easily make two trips.

Your esteemed authority is requested to kindly give direction to concerned department so that same bus can be made available for our employees working in Green Heights up to MTNL office Building so that our employees can save at least one hour in the evening to reach their residence.

Thanking you,
Yours faithfully,

Pradeep

(Pradeep Mayekar)
General Secretary
