Subject: Requirement of Galley and Gymnasium equipment on MHN Platform, MH Asset.

Respected Sir,

We are in receipt of a request letter from crew members of MHN Platform, MH Asset regarding requirement of galley and gymnasium equipment. Please find attached the copy for your perusal.

It is very surprising, some of the equipment's sent for repairing one year ago are still not received back on the platform. If no proper equipment's are provided to catering staff, how we can expect quality food and appropriate service from them, it's pertinent to mention that the platform is always loaded with POB of around 250 persons.

Moreover, MHN platform has completed almost 13 (thirteen) years, galley equipment's on board are in dilapidated condition in fact they have over lived their designed life, naturally requires immediate replacement. As a result, catering service on the platform is hampering and has created unrest among the employees including **Executives and Non-Executives**.

Following are the equipment required to be replaced on urgent basis.

- 1. **Atta Making Machine of MLQ** Sent for repairing approx. one year ago, but not received till date, this promotes new procurement.
- 2. Wet Grinder of MLQ Out of two (2), only one grinder is working.
- Heavy Duty Mixer (Industrial Purpose) One each required for MLQ & MNQ.
- 4. Deep Fryer 01 no. required for MNW
- 5. Baking Utensils 1 set required.

#### Gymnasium Equipment's:

- Trade Mill Out of 3 trade mills, one is not working, and one remains damaged needs immediate servicing.
- 2. Exercise Bicycle Out of 3, one is not working, another one is damaged.

- 3. **Multipurpose Gym Station** Cables are damaged. Two sets are required.
- 4. Massage Chair Not in working condition
- 5. **Adjustable Bench** Adjustable bench locking knob is damaged, required two sets.
- 6. Skipping Ropes Not available, required two sets.
- 7. **Dumbbells** requires 25 kg (two pairs), 10 kg (one pair), 8 kg (one pair)

These are the equipment, for daily use on platform and can be purchased by constituting a Board. Moreover, these equipment have completed their life and cannot be used further. In fact, repairing cost will be more than purchase of new equipment, hence opting for new would be most appropriate.

One more serious complaint we have received regarding catering service. Presently catering contract has been awarded to M/s. A. K. Saraf Corporation India Pvt Ltd. In the month of January & February 2024 food box on board was received after 10 & 11 days. Please find attached details of food boxes received on MHN Platform. As per our information and discussion with Head - Nhava Supply Base, sufficient supply vessels are available now, then why food box is delayed by 16 days. The catering contractor must be penalized for delay in supplying food box. At the same time quality of food preparation has been deteriorated which requires immediate attention for improvement.

Your esteemed authority is requested to look into the matter and kindly give direction to the concern authority for procurement of new equipment through the "Board Purchase" at the earliest. Simultaneously caterer M/s. A. K. Saraf Corporation India Pvt Ltd. should be issued notice for improvement of food preparation and also ensure supply of food box 4 times in month as per the catering contract.

Thanking you, Yours faithfully,

alc

(Pradeep Mayekar) General Secretary
