Subject: Request to arrange a SOS meeting of all unions functioning in Mumbai region to discuss the issue of curtailment of drivers.

Respected sir,

It is understood that around 70 passenger vehicles (small cars) are going to be reduced from total strength of passenger vehicles. Obviously 70 drivers who are working in contract will be losing their jobs which is a substantial figure, this also leads to displacement of as many families we need to understand the catastrophic effect on them.

We do not disagree that economization is the call of the hour but not at the cost of seizing someone's bread and butter, causing all round panic. Tender for hiring passenger vehicles has been finalised and new contract is commencing from the month of June-2024, hence this call for SOS meeting.

To discuss the issue of divers a meeting with all unions functioning in ONGC be called at the earliest so that amicable solutions can be found out. The decision taken in the meeting can be signed by the office bearers of the unions and can be implemented accordingly.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
