**Subject: Request for to and fro Bus service from Nhava Supply base to Chawk Phata (Karjat).**

Respected Sir,

We are in receipt of a request application from our employees working at Nhava Supply Base to start to and fro bus service from **Chawk Phata (Karjat) to Nhava Supply Base**. Please find attached the copy of application of employees working at Nhava Supply Base.

There are a total 18 (Eighteen) employees residing on the route from Nhava Supply Base to Chawk Phata (Karjat). Please find attached the copy of their request letter for your perusal. Presently these employees are travelling by their own vehicle or by State Transport Bus up to Panvel Colony, because this bus is plying from Panvel Colony to Nhava Supply Base. It is pertinent to mention here that one Bus is plying from Nhava Supply Base to Borivali (Total 65 Kms.). All the employees travelling by this bus are superannuated except one. The last employee **Shri. Shankar Raut** who is residing in Borivali is superannuating on **30<sup>th</sup> Oct. 2024**. This bus will be available to ply from Nhava Supply base to Chawk Phata (Karjat).

The total distance from Nhava Supply Base to Chawk Phata (Karjat) is 45 Kms. Only which is 20 Kms less compared to the distance of Nhava Supply Base to Borivali (Total 65 Kms.)

Employees travelling from Karjat to Panvel are facing a lot of problems due to heavy traffic on the road up to Panvel Colony. They are not able to catch the bus in time. Most of the time they have to request the driver or their colleagues to stop the bus till they reach Panvel Colony.

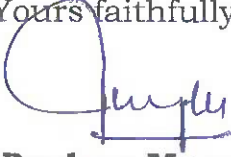

Your esteemed authority is requested to kindly give direction to the concerned authority for diverting the bus plying from Nhava Supply Base to Borivali after retirement of Shri. Shankar Raut CPF No.56553 in the month October 2024.

**Contd...2**

:: 2 ::

Being Nhava Supply Base is a remote place, we must consider the request of our employees as it will reduce their travelling time also. A bus for our employees from Nhava Supply Base to Chawk Phata (Karjat) will give them comfort and will reduce the fatigue which will help to increase their efficiency to work at Nhava Supply Base.

Thanking you,  
Yours faithfully,

**(Pradeep Mayekar)**

**Subject: Application for Bus Service from Chauk Phata to Nhava Supply Base**

Sir/Madam,

With reference to our letter dated 23 Aug 2023 regarding bus service from Karjat to Nhava Supply Base. We are respectfully giving one suggestion for consideration to provide bus facility from Chauk Phata (Panvel-Khopoli Highway) to Nhava Supply Base.

Most of employees residing at Borivali and surroundings are already separated from ONGC and presently bus facility from Borivali to Nhava Supply Base (Apx. 65 Km) is available is playing for only one employee who is going to superannuate in Oct 2024. Onwards from 1<sup>st</sup> Nov 2024 there is no any passengers (employees) going to avail this bus facility in future.

As on Today 18 employees working at Nhava supply base travelling From Karjat to Nhava Supply base with their personal vehicles or in bus service which is starting from Panvel ONGC Colony. Employee staying at Karjat, Godrej City, Indiabulls, Palaspa Phata & Marathon are facing very much difficulties to catch the bus on right time from Panvel due to heavy traffic jam.

With this application we are suggesting you if you divert this bus facility playing from Borivali to Nhava Supply Base on New route of Chauk Phata to Nhava Supply base (Apx. 45 Km) which is lesser distance from Borivali to Nhava, All employees residing on this route will reach to office on right time by hassle free travelling.

We humbly requesting your esteemed authority kindly consider our application and sanction to divert the bus route of Borivali to Nhava Supply base on new route Chauk Phata to Nhava Supply Base.
