Subject: Acceptance as recognized qualification for future career growth

Respected sir,

This is reference to the quarries in relation to recognition status of high school examination from central board of higher education, New Delhi

We have met your authority in your esteemed office in Dehradun and have discussed their issue at length along with Mr. Alok Mishra our GM (R&P), and in support of recognition of the said board we have submitted the documents of various states education body accepting the high school certificate as recognized for further higher education.

We have two candidates whose future carrier growth is still pending as regional (MR, R&P) is waiting for confirmation of status of their qualification. We remain concerned as the delay is already over a year, the individuals are deprived on both ends like :

- 1) They are not in a position to function and deliver from an higher capacity
- 2) Loosing on all financial benefits

We are detailing the present situation of both the individuals in want of clearance of recognition of their said qualification.

- 1) Mr. S S.. Petkar, designated as Topman, CPF NO 71710 Joining not accepted at EO Level ,accordingly Pay Fixation is still pending.
- 2) Mr, P.S. Joshi, designated as Sr. R/A Upgraded (E1) but pay fixation still pending.

we request your esteemed authority to take a positive view with the documents provided by us, more over when State education boards recognizes the same, it will be to harsh to take a view that will deprive the individual from their future career growth. When both the individuals have served the organization for more than 20 yrs.

With regards,

Thanking you,

Yours faithfully,
