Respected Sir,

Sub: Request for meeting.

We would like to bring to your kind notice that various vital issues of Nhava Base have been pending for a long time for which no action is being taken by the concerned authorities. Some of the issues are:

1. Kits & Liveries: Non-receipt of kits and liveries for last two years which is the cause of concern for safety of the employees.
2. Catering: The catering provided is of sub-standard quality. There is a need to provide additional furniture. In spite of bringing to the notice of Management no effort is being made to procure the additional furniture
3. DTYS & Liner hanger dept. Shed No. 6: Most of the furniture is in a dilapidated condition.
4. Potable water: There is inadequate supply of potable water. Hence alternate arrangement is required like providing of bottled bisleri water, etc. Water filtration plant is also required since the water is supplied through MIDC which is adulterate. The existing Aqua guards are obsolete and require to be replaced.
5. Bus Routes: The designated routes are shifted to meet certain individual whims and fancies causing frustration among others.

Irrespective of our discussions as well as repeated correspondence with the concerned authorities, no action has been taken to resolve the abovesaid issues.

Since the issues have been pending for a long time, we would like to discuss the issues in person with you. We therefore request your kind authority to give an appointment so that the issues are resolved amicably.

With regards,

Yours sincerely,
