## **Subject : Blatant malpractices in Santacruz Guest House.**

Respected Sir,

We would appreciate to know that the present contractor who is only continuing with a change of name has a free hand to refuse accommodation to ON/OFF officials, when rooms are available in plenty or it is the directives of the authority concerned to send people to hotels on ONGC panel. Both the above conditions smell foul of vested interest.

This is at the cost of avoidable wasteful expenditure and inconvenience to officials returning from duty or proceeding to duty i.e. offshore. We have been receiving many such complaints from our offshore officials.

One Mr. Naik, Manager of the said contractor refused the undersigned accommodation stating non-availability of rooms. In fact it was found on visiting guest house sufficient rooms were available. We have brought to your notice vide letter No. ONGC/GKS/018/2009 dated 04.09.2009 the malpractices, the contractor is indulged in, leading to unfair labour practices.

The employees are forced to work with dual responsibilities, without any change in wages. Today it is brought to our notice one of the employee was removed from services, without assigning any reason, we want immediate reinstatement or we will stop the functioning of the guest house within 72 hours of the issuance of this letter.

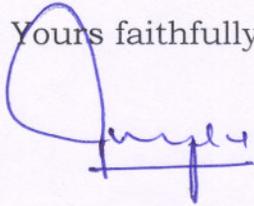

Non compliance to statutory contract conditions draws for black listing of the contractor.

We request your esteemed authority to have an urgent enquiry conducted Before we are forced to proceed on action as discrimination, goondaism and usage of unparliamentarily language has become order of the day.

With regards.

Thanking you,

Yours faithfully,
