Sub.: Disciplinary action towards mob instigation within plant primices & manhandling of our Secretary in Uran Plant.

R/Sir,

We are in receipt of a letter addressed to GGM-PMU by our Secretary on the above issue, please find a copy of the same attached for your perusal and necessary action.

Mr. Dinesh Gharat, Secretary (PEU) who instigated the mob of **41 persons**, the list attached surfaces 60% of the people are all **contractual & Direct employees** who are mainly from the class IV category, who has no relation with the ongoing negotiations of wage revision for class III & IV employees, but were utilized to manhandle our secretary.

During **Petroleum Employees Unions** Nine years tenure of recognition, **Mr. Dinesh Gharat** even though a technical man i.e. Foreman (P) was never assigned any Job, never did he visited his working area, at the end of the month attendance register was send to Unions office for his signature. Today also even though non recognized the local management has given him blanket cover, he reports to I/c (HR/ER) without being assigned of any Job. This working condition gives him sufficient room for such activities.

We request your esteemed authority to have an personal overview and constitute an enquiry at the earliest, a delayed action could be bad precedence to above incidents in Uran Plant.

With regards,
Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
