**Subject : Appointing three full time Doctors for Homeopathy treatment.**

Respected Sir,

We had been pursuing with you and with the head medical service more than a year now for appointing three full time Doctors for Homeopathy treatment as we have been receiving requests from all our office installation including Uran Plant and Hazira.

Recalling that till two years back we had two full time ONGC Doctors for Homeopathy treatment namely Dr. Sahani and Dr. Bela Choudhary, records do reflect that both the Doctors were always overloaded, presently i.e. till 30th June 2010. We had one par timer, namely Dr. Ashwini Devdhar, she was required to attend three office installations like Vasudhara Bhavan, NSE complex and 11 high, she normally had to continue beyond her schedule timings attending over crowded patients, when Uran and Panvel were kept starving.

We understand even after putting up the request of employees all over Mumbai, our recruitment section is once again going ahead with recruitment of a par timer for Homeopathy treatment. Today it need not be debated that Homeopathy has already gained wide and large acknowledgement without dissuading patients from allopath treatment. Such recruitment will only put our employees in a discomfortable situation.

It is earnestly requested looking into the records and giving access to Uran, Hazira and Panvel to Homeopathy treatment three full time Homeopathy Doctors be appointed not only giving wider coverage, the primary purpose is to encourage a stronger commitment from Doctors.

With regards,

Thanking you,

Yours faithfully,

**(Pradeep Mayekar)**
