Subject: Request for Empanelment of a Hospital in Kolhapur District, Maharashtra, to Avail Medical Facilities for Employees Residing in Kolhapur & Adjoining Districts.

Respected Sir,

This has reference to our earlier letter No. **ONGC/KS/105/2023** dated **11.08.2023** regarding the empanelment of a hospital in Kolhapur District, Maharashtra, for the benefit of ONGC employees & pensioners residing in Kolhapur & the adjoining districts. A copy of the said letter is enclosed for your ready reference.

As per our latest survey, we are enclosing a list of **85 families** comprising regular & retired ONGC employees with their application Dated 28.07.2026. The total number of beneficiaries is **319 family members**. In fact, there are many more ONGC families residing in Kolhapur & the surrounding districts who would also benefit from this facility.

It is pertinent to mention that **there is currently no ONGC-empanelled hospital in Kolhapur District**. Empanelment of a reputed hospital in Kolhapur would be of immense benefit to employees & pensioners residing not only in Kolhapur but also in the adjoining districts of **Sangli, Satara, Sindhudurg & Ratnagiri**. At present, employees are compelled to travel to Mumbai or other distant cities for medical treatment. In medical emergencies, such delays in transportation may prove critical & in some cases, life-threatening.

Employees whose wives require hospitalization for maternity services are compelled to seek treatment in private hospitals. Such treatment is treated as taxable reimbursement, & the medical reimbursement is restricted to **KEM Hospital, Pune rates**, resulting in a reduction of nearly **40%** of the actual medical expenses. In addition, **30% income tax** is applicable on the reimbursed amount, causing a significant financial burden on employees. This hardship arises solely because there is no ONGC-empanelled hospital in Kolhapur.

Our Union had made sincere efforts to facilitate the empanelment of Hospital **Aster Aadhar, Kolhapur** as it fulfilled the required eligibility criteria & had submitted the necessary documents. However, despite our continuous follow-up, the proposal could not be finalized.

We understand that, under the revised procedure, ONGC proposes to invite applications for hospital empanelment through advertisements in newspapers. In this regard, we earnestly request your esteemed authority to **include Kolhapur District in the proposed advertisement**, so that eligible hospitals in the district may apply for empanelment with ONGC.

The empanelment of a hospital in Kolhapur has been a long-pending demand of our employees. For the last **more than five years**, we have been consistently pursuing this matter. We therefore request your good office to take a positive & sympathetic decision in the interest of employee welfare & provide much-needed medical facilities to ONGC employees & pensioners residing in Kolhapur & the adjoining districts.

We once again request your esteemed authority to kindly consider this matter favourably & initiate the process for empanelment of a hospital in Kolhapur District at the earliest.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary

Subject: Request for Empanelment of Multi-Speciality Hospital at Kolhapur

Respected Sir,

With reference to the ongoing EOI/tender process for empanelment of multi-speciality hospitals, it is submitted that a significant number of ONGC serving employees, retired employees, and their family members are residing in Kolhapur.

At present, the absence of an empanelled hospital in Kolhapur compel beneficiaries to travel to other cities for specialized treatment, resulting in inconvenience and delays in accessing medical care.

Considering the sizeable ONGC beneficiary population in Kolhapur, as detailed in **Annexure-I**, it is requested that the empanelment of a suitable multi-speciality hospital at Kolhapur may kindly be expedited. This will facilitate timely and accessible healthcare services.

Further, such empanelment will also benefit ONGC employees, retirees, and their dependents residing in nearby districts such as Sangli, Satara, and Sindhudurg, for whom Kolhapur serves as a major healthcare center.

Hence, it is kindly requested that a suitable multi-speciality hospital at Kolhapur may be arranged for the employees / retired employees / dependants residing at and nearby Kolhapur at the earliest.

Yours faithfully,

Copy to:

- General Secretary, Karmachari Sangatana, Mumbai.

Subject: Empanelment of "Aster Aadhar Hospital" of Kolhapur, Maharashtra to get the benefits to the employees residing in the adjoining districts

Respected Sir,

We are in receipt of request application from "**M/s. Aster Aadhar Hospital**" situated in Kolhapur city, Maharashtra for empanelment.

With immense pleasure and pride we would like to refresh that in our recent recruitment i.e. since 2009 substantial number of candidates were capable enough to get appointment in ONGC, Mumbai Region from Kolhapur and adjoining districts.

More than 75 employees their families are residing in Kolhapur and adjoining districts have supported for empanelment of the said Hospital. Moreover we understand employees working in other projects of ONGC all over India are residing in Kolhapur and adjoining Districts, their dependents will also be beneficiaries. There are some retired employees settled in Kolhapur Districts.

Let me bring to your kind notice that, "No Hospital is empaneled by ONGC from Kolhapur" till date. Empanelment of this hospital will be of great help to the employees and their families residing in Kolhapur as well as to the employees staying in adjoining district i.e. **Sangli, Satara, Sindhudurg and Ratnagiri**. Presently there is no ONGC panel hospital in above mentioned adjoining districts. Presently employees and their families are finding it very difficult for medical treatment as they have to rush to Hospitals in Mumbai for medical treatment, needless to elaborate delay in transport could be fatal.

The employees who are admitting their wives for delivery are compelled to admit them in private hospital. As you are aware treatment in private hospital is taxable moreover total medical bill is sanctioned as per KEM Pune Rate which reduces the total amount of bill by almost 40%. The employees residing in Kolhapur and adjoining districts has to pay 30% tax on their medical bills and additionally has to loose 40% amount on total medical bill when sanctioned as per the rate of KEM, Pune.

To avoid all these loss of our employees we must impanel the **M/s. Aster Aadhar Hospital of Kolhapur** at the earliest as the hospital is fulfilling's all necessary documents required by ONGC.

We request your esteemed authority to kindly give direction to the concern department for speedy action not only for the above facilities alone but also for various other medical treatments which are catered by the said hospital. Needless to mention, very correctly employees are also pressurizing hard for early empanelment.

Thanking you,
Yours faithfully,

(Pradeep Mayekar)
General Secretary
